ABOUT US

Founded in 2012, Nawaf Abdullah EST. has been a cornerstone of quality contracting services in Saudi Arabia. Specializing in a wide range of essential services, we have earned a reputation as a trusted partner to clients across various industries. Our expertise spans Maintenance & Cleaning, Manpower Supply, Crane Services, On-Call Service, Material Supply, and Hourly Services, ensuring that we meet the diverse needs of our clients with efficiency, professionalism, and a commitment to excellence.

At Nawaf Abdullah EST., our mission is clear: to provide reliable, high-quality services that empower our clients to achieve their goals with confidence. With over a decade of experience in contracting, we understand the unique challenges and demands of the industry, and we work tirelessly to deliver solutions that exceed expectations. Our team is composed of skilled professionals who bring technical expertise and industry knowledge to every project. From delivering skilled labor for time-sensitive projects to providing material supplies and crane services for large-scale operations, we are fully equipped to meet the highest standards of quality and safety.

Our services are designed to be flexible, accommodating the specific needs of each client through tailored, on-call solutions. This adaptability, combined with a commitment to integrity, sets us apart as a contracting company that values long-term partnerships and sustainable success. Whether you require a one-time service or ongoing support, Nawaf Abdullah EST. is prepared to respond with agility and expertise.

OUR MISSION

At Nawaf Abdullah Al-Balawi Est., our mission is to deliver high-quality contracting services that meet the highest standards of safety, efficiency, and reliability. We are committed to building lasting relationships with our clients through integrity, transparency, and excellence in every project. Guided by innovation and expertise, we aim to contribute to the growth and development of Saudi Arabia's infrastructure, while ensuring sustainable practices that create value for our clients, employees, and community.

OUR VISION

Our vision is to be recognized as one of the leading and most trusted contracting companies in Saudi Arabia, known for delivering excellence, innovation, and sustainable solutions. We aspire to play a vital role in the Kingdom's development and transformation journey, aligning with Saudi Vision 2030 by building modern, safe, and future-ready infrastructure that enhances the quality of life for generations to come.

OUR VALUES

At Nawaf Abdullah Al-Balawi Est., our success is built on a foundation of values that guide every project and partnership:

Integrity – We conduct our business with honesty, transparency, and fairness in every interaction.

Quality – We are committed to delivering superior workmanship and reliable services that exceed client expectations.

Safety – We prioritize the health and safety of our employees, clients, and communities in all our operations.

Innovation – We embrace modern technologies and creative solutions to deliver efficient and sustainable results.

Commitment – We honor our promises by completing projects on time, within budget, and to the highest standards.

Collaboration – We value strong relationships with our clients, partners, and workforce, fostering teamwork to achieve success.

Sustainability – We strive to contribute to the Kingdom's development while ensuring environmentally responsible practices.

CRANE SERVICE

Nawaf Abdullah EST. offers top-tier Crane Services to support a wide range of lifting and material-handling needs across construction, industrial, and infrastructure projects. Our fleet of modern, well-maintained cranes is operated by highly trained professionals dedicated to safety, precision, and efficiency. Whether you need heavy lifting for construction materials, equipment relocation, or specialized support for complex tasks, our Crane Services provide the reliability and strength you can count on. With a focus on client satisfaction, we tailor each crane solution to meet project-specific requirements, ensuring seamless operations and minimized downtime. Trust Nawaf Abdullah EST. for crane solutions that elevate your project to new heights with the highest standards of safety and quality.

Crane Service: Storage Yard

Our Crane Service can provide you with a storage yard rental that is tailored to your specific requirements. We have years of construction industry experience and understand the importance of safe and secure storage for your cranes and other heavy equipment. Let us take the stress out of looking for a suitable storage yard.

For your next construction or industrial project, we provide safe and secure crane storage. Our property is completely fenced in and only authorized personnel have access to it. We have on-site security to ensure your equipment's safety. Our knowledgeable staff will work with you to find the ideal solution for your storage yard, which will be fully equipped to handle any crane size.

Crane Service: Heavy Transport

Whether you are in the construction industry or preparing for an industrial project, Our Crane Service is your go-to source for all your heavy transport needs.

When it comes to heavy transport for construction projects, you need a reliable and experienced partner like Our Crane Service. We offer full-service crane rentals to accommodate any construction project, from industrial construction to construction companies.

Our heavy transport capabilities include transporting equipment and materials to the construction site and moving finished products from the construction site to the delivery destination. We have the equipment and experience to handle small and large-scale construction projects.

Crane Services: Heavy Rigging

Our Crane Services is a full-service crane rental company that provides heavy rigging services for general construction companies, industrial construction companies, and wind turbine companies.

We offer comprehensive heavy rigging solutions for your construction or industrial projects. We have the experience and equipment to keep your project moving. Our team comprises experienced riggers who are experts in using cranes, forklifts, and other heavy equipment. We can help you with any project that requires heavy rigging, including wind power generation projects that involve wind turbine installation.

Whether you need us to help you move a large load or erect a crane, we'll take care of everything for you.

HOURLY SERVICE

Our Hourly Services are designed to provide you with flexible and reliable support whenever you need it. Whether you require skilled labor for short-term projects, specialized maintenance tasks, or immediate assistance to address unexpected challenges, our dedicated team is ready to respond swiftly and efficiently. We understand that every project has unique demands, which is why our hourly services are tailored to meet your specific requirements, ensuring optimal performance and seamless operations. Our workforce is highly trained and equipped with the latest tools and techniques to deliver top-notch results, maintaining the highest standards of quality and safety.

By choosing our Hourly Services, you gain access to experienced professionals who are committed to helping you achieve your goals without the long-term commitment. Trust Nawaf Abdullah EST. to provide the expert support you need, exactly when you need it, ensuring your projects stay on track and within budget. Let us be your dependable partner for all your hourly service needs, delivering excellence every step of the way.

CAR RENTAL SERVICE

We are dedicated to providing top-quality car rental services that combine reliability, affordability, and convenience. Our diverse fleet of well-maintained vehicles is designed to cater to a wide range of needs, whether you're looking for a car for daily commutes, business trips, family outings, or special occasions. We understand that every customer is unique, which is why we offer flexible rental plans that can be customized to fit your schedule and budget. With competitive pricing, transparent terms, and a seamless booking process, we strive to make renting a car as stress-free as possible. Our commitment to exceptional customer service ensures that your experience with us is smooth and enjoyable, from selecting the right vehicle to returning it with ease.

We take pride in offering premier car rental services designed to meet diverse customer needs, whether you need a vehicle for a few hours, a luxurious ride for a special event, or long-term transportation solutions. Our fleet is equipped with top-of-the-line vehicles, ensuring your experience is nothing short of exceptional. At Nawaf Abdullah Est., we don't just rent cars – we provide a journey built on trust, quality, and unparalleled convenience, ensuring you reach your destination comfortably and confidently. Choose us for a car rental experience that exceeds expectations every step of the way.

Luxury and Exotic Car Rentals

Indulge in sophistication and class with our luxury and exotic car rental options. Whether it's a wedding, a corporate event, or a celebration, our fleet includes high-end brands such as BMW, Mercedes-Benz, Porsche, and more. Drive your dream car and make a lasting impression.

Corporate Rentals

Our corporate car rental services are tailored for businesses looking for reliable and professional transportation solutions. Whether it's for client meetings, business trips, or employee commutes, our well-maintained vehicles and flexible rental plans will keep your business moving smoothly.

Subscription-Based Services

Experience the freedom of flexible car ownership without the hassle. Our subscription-based service allows you to choose a vehicle on a monthly basis, giving you access to a wide range of cars with the convenience of all-inclusive pricing. Say goodbye to maintenance worries and hello to seamless mobility.

Long-Term Rentals

Planning to rent a car for an extended period? Our long-term rental solutions are ideal for individuals and businesses requiring transportation for weeks or months. Enjoy discounted rates, reliable vehicles, and the convenience of long-term mobility.

Short-Term Rentals

Need a car for a quick trip or a day of errands? Our short-term rentals offer you the flexibility to rent a vehicle for as little as a few hours or a single day. With competitive pricing and hassle-free booking, you can get on the road whenever you need.

IT SERVICES

We offer a comprehensive suite of IT services designed to empower businesses and enhance their operational efficiency. With a strong commitment to innovation and excellence, our team delivers tailored solutions that meet the specific needs of our clients. From end-to-end software development and systems integration to robust network infrastructure and ongoing IT support, we ensure seamless technology solutions that support your business goals. Our IT services are built around security, reliability, and scalability, allowing businesses to adapt to ever-changing technology landscapes.

We specialize in providing strategic IT consulting, cloud solutions, data management, App & Web Development services, helping companies streamline their operations and protect valuable information. Our expertise extends to network design and maintenance, ensuring smooth communication and collaboration across all levels of your organization. With Nawaf Abdullah Est., you can trust that your technology needs are in the hands of experienced professionals who are dedicated to providing high-quality, cost-effective services. Whether you're a small business or an established enterprise, our solutions are designed to help you stay ahead of the competition, reduce operational costs, and drive long-term success.

WHY CHOOSE US

01

Reliability & Timeliness

Nawaf Abdullah EST. contracting company must consistently meet deadlines and deliver quality work on time. Reliability builds trust with clients, ensuring that projects are completed as promised, which is essential for maintaining strong, long-term relationships.

Skilled and Experienced Workforce

A competent team is the backbone of any contracting company. Nawaf Abdullah EST. ensure that Skilled, knowledgeable professionals all services—from construction to specialized maintenance—are performed to high standards, reducing errors and increasing project success rates.

02

03

Commitment to Safety and Compliance

Nawaf Abdullah EST. places special emphasis on safety. In construction and industrial settings, safety is of utmost importance. A strong commitment to following safety protocols and industry regulations reduces risks for both employees and clients, ensuring smooth and accident-free operations.

Adaptability and Client-Centric Approach

The requirements of contracting projects are often unique and dynamic. A client-focused company adapts to the specific needs of each project, provides customized solutions, and offers responsive support, which fosters customer satisfaction and loyalty. Our company maintains an open and cooperative approach, always ready to build and sustain strong relationships with various companies and working with a focus on client convenience.
